Offline notice

The Founders & Survivors website is offline for routine weekly maintenance 9pm-9:30pm Sundays Eastern Standard Time.

About Founders & Survivors

Founders & Survivors is a partnership between hisotrians, genealogists, demographers and population health researchers. It seeks to record and study the founding population of 73,000 men, women and children who were transported to Tasmania. Many survived their convict experience and went on to help build a new society.
